# 1030PH

16' Work Height, Powered Push Around

PUSH INTO POSITION, STEP IN, PRESS A BUTTON.  
SIMPLE. SAFE. EFFICIENT.

Ability to quickly push and relocate lift without the hassles of maneuvering a ladder. More platform workspace for tools and material. Autolocking front brakes, a 10' platform height and 16' working height, the heavy-duty 1030-PH maximizes platform size while minimizing working footprint, giving the operator more room to work in confined areas.

## OPERATING SPECIFICATIONS
